

## ***Safe Roads Safe Homes Pledge***

### **Parent Responsibility**

Our family has discussed underage drinking and drug use, including prescription and over-the-counter medications, and we support the Safe Roads Safe Homes principles. We pledge to actively supervise teen parties or gatherings held at our home. We will not allow teenagers to drink alcoholic beverages or use drugs in our home or on our property. In addition, we welcome and encourage parent communication to confirm the plans and activities of our teenagers.
